

THE REVIEW OF REVIEWS

JULY-DECEMBER, 1930

The alphabetical arrangement of the subject matter is modified in some instances by the grouping of related topics under such headings as Automobiles, Aviation, Business, Congress, Education, Finance, Industry, Science. So far as space permits, cross-indexing of topics to general headings has been used. For material involving various countries it will be best to look under the names of those countries. Pictures of interesting personalities are grouped under the heading "Portraits," on page 6 of this index.

ADAMS, Evangeline, astrologer, Nov. 130.

Africa:

Sacred crocodile of Lake Victoria, Nov. 120.

South African Union in the British Empire, Oct. 68.
